

## ORDINANCE COMMITTEE MINUTES

TUESDAY, September 1, 2015

6:30 PM AT THE COMMUNITY BUILDING

Kyle Smith called the meeting to order at 6:30 P.M. Members present, Susan McCallum & Kyle Smith. Also present was Rob Kovach and Pat Hawkey.

Rob Kovach spoke during public comments answering questions that were asked during the last ordinance meeting, stating that there is no food being left overnight for the cats, domestic cats are typically the one's that will be doing damage to personal property, not community cats, as they try to stay away from humans and are used to living in the wild. Rob stated that he would pay a license fee for the cats that he is feeding and re-releasing in the village, if there wasn't a limit to the amount of cats that he could do this for, as he would be over the maximum number of cats per the license ordinance if that stayed the same.

Susan McCallum motioned, Kyle Smith seconded to postpone approval of minutes from July 7, 2015 meeting. Motion carried.

The committee will be reviewing the older ordinances once they are received back from Muni code, and in the meantime the committee will be looking at the cost of future changes to the website.

Reviewed fee schedule, motion to send fee schedule to board for approval, with the adjustment of separating the water and sewer impact fee. Kyle Smith motioned, Susan McCallum seconded. Motion carried.

Table the review and discussion of all animal ordinances for next meeting to gather more information.

7:01 P.M. Kyle Smith motioned to adjourn, seconded by Sue McCallum, motion carried.
